## **2021 Check-In, Check-Out, Visiting Day & Show Information (as of April 10, 2021)**

Information regarding Check-in, Check-Out, (Virtual) Visiting Days, and Performances for each session can be found in this document. Please note these are just the basic details. More information will be in our COVID Plan and distributed prior to camp.

While there have been changes instituted for safety, the Harand philosophy and spirit will be at the heart of everything we do!

### **Important Items of Note:**

- Our COVID Plan has been submitted to Carthage College for approval and should be available very soon! In addition to more details about Check-In and Check-Out, the Plan will also have information about Pre-Camp Screening, Testing, Policies & Procedures.
- If possible, please limit the number of Family members attending Check-in to 1 or 2. It is highly preferred that those dropping off or picking up Campers be fully vaccinated against COVID-19! Also, if you are unwilling or unable to wear a mask or practice physical distancing, please designate another adult to drop-off or pick-up your Camper!
- Once checked-in, Campers will not be allowed to leave campus for any reason.\*
- In order to maintain our "bubble," Parents/Family will not be allowed on campus except for Check-In and Check-Out on the first and last days of the session. They will not be allowed into the dorm for any reason. Please read this document for Virtual Visiting Day and Performance information.
- Families should still send luggage in advance thru NSM Camp Luggage Services, or UPS/FedEx (for those outside Chicagoland). Smaller items (such as backpacks, bedding, medications & instruments) may be brought to Check-In. NSM will contact Chicagoland families closer to camp to arrange for luggage pick-up.
- Note that Check-Out for First & Second Session will be on Sundays, July 11 and August 1 from 9:30am-Noon. Saturday check-out may be allowed by special request; however, your camper will then miss out on end-of-session celebrations like our Pageant Watch Party and Banquet!
- Our policies and procedures will be updated or revised based on evolving information related to COVID-19 and guidance from the CDC, ACA, Federal & State Governments, as well as Carthage College.

\*If the COVID Vaccine becomes available for ages 12 and up, campers may be allowed to leave campus for a vaccine appointment with prior approval. Please call 847-867-1356 before booking an appointment during camp. Appointments during Week 3 (July 4-10) and Week 6 (July 25-31) should be avoided to prevent your camper from missing performances. One-Weekers should avoid scheduling vaccine appointments during Week 1 (June 20-26).
