## At Harand Camp “No Man is an Island” and **EVERYONE** is a **STAR!**

Established in 1955, Harand Camp was one of the first overnight camps to combine musical theater with the fun of traditional camp. Located on the campus of Carthage College in Kenosha, Wisconsin, we offer first-rate arts training (in a non-competitive environment) for campers ages 7 to 18. In addition to the performing arts, campers enjoy sports and other fun elective activities, excursions, all-camp events and 60+ years of camp traditions. ## PERFORMING ARTS

It is our goal for all campers to develop performance skills, while building self-confidence and learning how to live together in an atmosphere of acceptance. In preparation for final shows, campers take daily classes in singing, dancing, and acting with occasional evening rehearsals. Sessions culminate with major performances in our state-of-the-art theatre.

We welcome all levels of experience – from new performers to those working professionally - and do not require auditions for admission. No matter the experience level, all campers will have fun, feel supported and challenged, and shine on our stage.

Many have left a mark in the arts, education, politics, and other fields, citing the positive impact of Harand, and the skills, relationships and confidence developed at camp.

## HISTORY

In 1952 sisters Sulie and Pearl Harand established Harand Studios of the Theatre Arts, one of the nation's first theater training centers for children. Pearl, a member of the Chicago Repertory Theatre, taught drama, and Sulie, known for incomparable one-woman interpretations of musicals, taught voice. Staff included Byrne and Joyce Piven and future Commissioner of Cultural Affairs Lois Weisberg. In 1955 the studio expanded to an overnight summer camp.

Billy Campbell (Actor)

## STAFF & COUNSELORS

Harand has been family-run since its founding and many senior staff members have been working with us for over 35 years. All administrators, department heads, directors and choreographers are working professionals and/or educators with years of expertise. The knowledge, commitment and care they bring to camp is unsurpassed. We couldn't ask for a better team to help guide your children towards a successful summer.

Counselors come from across the country - and many have been campers themselves! Counselors must be over 18 and many hold advanced degrees. Counselors attend a rigorous pre-camp training so they are ready to help your camper thrive the moment they arrive.

The entire staff comes together as a team to create a wonderful experience for all Haranders.

We are positive, enthusiastic, and above all, selfless. Our mantra is "Camp is for the Campers" as the children are always our top priority.

## **Frequently Asked Questions – Summer 2021**

### **What makes Harand Camp of the Theatre Arts special?**

At Harand Camp “No Man is an Island” and EVERYONE is a STAR! Established in 1955, Harand was one of the first private camps to combine musical theater with traditional camp. We are a FAMILY (and also family-run). Harand is considered a second home by thousands of alums worldwide who have built lifelong friendships and cherished memories through our special program. Once a Harander – Always a Harander. Our theater program is also entirely unique to us, from our first session pageant musical revue to our commitment to sharing lead roles so EVERY camper has the chance to shine in the spotlight and also learn how to work as part of the ensemble. Harand Camp is accredited by the American Camp Association and received the Program Excellence Award in 2013.

### **What are the DATES and PRICES for 2021?**

- One-Week Session (Workshop): June 20 – 26, 2021; \$1350 (first-time campers, ages 12 and under ONLY)
- First Session (Pageant): June 20 – July 11, 2021; \$3400

### **Does TUITION cover everything? Are there any other fees?**

Unlike many camps, our tuition covers almost everything and there are very few additional fees and charges.

- Tuition covers room & board; arts & elective classes; recreational activities; costumes; scripts; supplies; buses for trips; laundry up to \$15 per session. (Parents provide balance for laundry, if any, at check-out.)
- Tuition does NOT include WI sales tax, medical bills not covered by your insurance, private instrumental/academic instruction (arranged in advance through our office), luggage shipment, or the \$15 refundable key card deposit. There is also a \$50 fee for lost or damaged scripts (second session only and charged after camp only if your camper loses or damages rented materials).
- Personal spending money should also be provided by the family for the camper to use on off-campus trips or for other approved, unforeseen purchases (replenishing toiletries, etc.). We recommend \$50 per 3-week session. The money is placed in our "Mini-Bank" until officially withdrawn by the camper. Records are kept with the balance refunded at check-out.

### **Are there SCHOLARSHIPS available?**

We strive to make the camp experience affordable for all families and offer a variety of discounts, payment plans and scholarships. Need-based scholarships are awarded through the Harand Camp Scholarship Fund (HCSF), a 501c3 organization. The HCSF provides full and partial camps scholarships to young people who have an interest in music, dance, drama, or technical theater, and have financial need. More information and an application can be found [here](#). The deadline to apply is April 15 with awards determined by May 1.

### **WHERE is Harand Camp located? What is the CAMPUS like?**

We are located on the beautiful campus of Carthage College in Kenosha, midway between Chicago and Milwaukee. The campus is an arboretum on the shores of Lake Michigan and features many modern amenities including an Olympic-size indoor swimming pool; basketball, racquetball and sand volleyball courts; dance and fitness studios; a 400-seat state-of-the-art mainstage theater as well as an intimate black box space, air-conditioned classrooms; food by Sodexo; dorm-style living; on-campus security and certified nurse, and more.

### **I don't live near Kenosha, can I still attend?**

Yes! We have campers and staff from all over the country and even overseas. We have campers fly in to Chicago or Milwaukee and we can arrange for a staff member to pick-up the camper at the airport and take him/her to campus. Please contact the camp office to make arrangements.

### **HOW MANY campers are there per session?**

We pride ourselves on our close-knit, family environment where "no man is an island." Camp size varies from year to year, with sessions having between 70 and 100 campers. Our staff to camper ratio is 1:4 ensuring that all campers get personal attention and feel valued as individuals and cherished members of our family.

**This is my FIRST YEAR and I'm nervous that I won't know anyone and will feel left out.**

"Make new friends and keep the old." While we do have campers return year after year (and some that continue on as staff members!), there are also many new campers every summer. Haranders are the most loving and welcoming people in the world. Everything we do - from our activity program to shows – fosters a nurturing, family environment where everyone knows and accepts everyone. Our campers and staff are open-hearted and non-competitive and the bonding between both new and returning campers is almost instant.

**Can I talk to someone who went to camp?**

We would be happy to put you in touch with one of our alums or current families. Please contact us and we will make arrangements. Also be sure to visit our [Testimonials](#) page to read some of our stellar reviews.

**Do you require AUDITIONS? Do I have too little/too much experience for your program?**

We welcome all levels of experience – from new performers to those working professionally - and do not require auditions for admission. It is our goal for all campers to develop skills in the performing arts and also build self-confidence & self-esteem. No matter the experience level, all campers will have fun, feel supported and challenged, and shine on our stage. At Harand EVERYONE is a STAR!

**What is the "PAGEANT" that campers work on during FIRST SESSION?**

The pageant is a full-length musical revue based around a specific theme that features the entire camp. Each age group prepares two 10-15 minute sections of non-stop singing and dancing and appears - in our beautiful costumes – no less than 3 times! Parents and campers love the pageant and find it to be a very special and moving event. While the pageant is more heavily focused on singing and dancing, all first-session campers will also prepare a one-act play during drama classes that will be performed on visiting day prior to the pageant.

**I'm going SECOND SESSION, what SHOW will I be in?**

We do not reveal the shows until the first day of the second session. Specific musicals are chosen close to the start of camp based on the make-up of each cast and then arrangements must be made with the appropriate licensing company (sorry, that means *Wicked* isn't available to us – or any other camp - yet). We also like to keep shows a surprise! Each summer tends to feature a mix of classic and contemporary works and no single show is considered "the best" or "most important." Placement in shows is based on age group and casting is determined during the first week of the session. All campers will perform both a lead role and in the ensemble, ensuring that EVERY camper receives the full musical theater experience. Audiences are wowed by what our campers and staff are able to accomplish in only three weeks. Please take our show survey to let us know your thoughts on specific musicals and what shows you may have already done.

**How does the ONE-WEEK PROGRAM work?**

The one-week session is a unique program exclusive to new campers, ages 7-12 only. One-weekers are fully integrated into our first session program, enjoying the same classes, recreational activities and cabin bonding as those staying the full three weeks. The week culminates in a Workshop performance featuring selections from the Pageant. This option is perfect for new campers who want to try camp without committing to three weeks. Enrollment in the program is very limited and one-weekers have the option to stay for the rest of the session.

**What are the LIVING ARRANGEMENTS? Can I share a ROOM with my friend?**

Campers enjoy the comfort of the modern facilities at Carthage College, residing in dorms overlooking Lake Michigan. Upon arrival, campers are divided into "cabins" by age and live together in the dorms (2 per room). We honor roommate requests as long as BOTH campers make the request in writing and are the same age.

**What is the FOOD like? Can you make accommodations for special dietary needs?**

Meals are catered by Sodexo and served 3 times a day in the dining hall. Every meal features many delicious options including a salad bar, soup, hot entrees, pizza & pasta bar, grill items, sandwiches, wraps, fruit, dessert, frozen yogurt, and more. Sodexo can make accommodations for allergies and will even provide gluten-free meals by request. Please notify us of any dietary restrictions (ex: celiac, vegan) or allergies (ex: nuts, fish).

**What is the DAILY SCHEDULE at Harand?**

Campers spend half the day in theater classes and the other half in activity classes that are selected by the camper on the first night of the session. Evenings and Sundays include a rotating schedule of rehearsals, cabin nights, and all-camp events, trips, and games. View a general [daily schedule](#) and [photos](#) our website!

**What about COVID-19?**

Please stay tuned for updates to our policies and procedures due to the COVID-19 pandemic. Thank you for your support and patience as we all navigate this strange time. We are hopeful that Harand will be able to open in June 2021 for our 66th Season!

Carthage College is currently open and running smoothly with students and staff remaining safe and healthy. Our Carthage Representative will be keeping us informed of any changes and protocols in a timely manner. Harand Camp will be following the recommendations of the ACA, CDC and Carthage College and adjusting our programs, procedures, activities and performances accordingly. We will also be instituting new health requirements – such as testing, vaccinations and personal PPE – but cannot establish final guidelines until closer to camp. Some changes have already been noted in our [Instruction Book](#), so please read it thoroughly.

We appreciate your patience as this evolves.

**We will only open if we can provide our campers and staff a safe and happy summer.**

**If the 2021 Season or your session is cancelled by Harand or Carthage College due to COVID-19, payments and deposits will be refunded or may be directed to 2022.**

**Who do I CONTACT if I have more questions?**

**"We could not have chosen a better camp for our daughter!!** Last year my daughter attended Harand for the first time and it was an amazing experience!! All I can say is, **Harand is a magical place that takes children from every skill level and turns them into stars.** The environment is warm and nurturing. The activities are exciting and non-competitive. In fact, my daughter was originally signed up for 3 weeks but called and begged us to let her stay 3 more! **Harand made my daughter feel like a star!** She talks about camp all of the time and cannot wait to return this summer!!!"

InsideCamps.com

Unbiased camp information and reviews

"My two children have been attending Harand for the past six summers. The camp is based on the Carthage College campus in Wisconsin - right on Lake Michigan - it's really beautiful. Both of my kids - my son is now 14 and my daughter is 12 have now preformed in several plays and acting and love of theater is simply part of their life. My son, is also pretty extreme athlete (Hockey, Karate, Lacrosse) -so this is the perfect balance for him. My daughter's growth at Harand has been more in the area of speaking and comfort on stage. At this time, I cannot ever see her with stage fright!

**Bottom line - this is a great camp and worth every dollar I spent and every hour of my children's time at camp!"**

**"Every Child Is A Star! On and Off the Stage!** I was a camper at Harand for over 8 years. My mother was a camper there for 5 years, and we both have worked on staff as counselors. Moreover, both my aunt and my cousin were campers at Harand. **This camp has changed all of our lives.** It is a theater camp that promotes confidence, acceptance, and self-esteem. **The lessons learned at this camp have shaped all of us into the people we are, while giving us memories to last forever.** My mom and aunt are still best friends with all of their camp friends, and I know my cousin and I will be too!"

"We are a 3 generation Harand family that loved every second of every minute of every hour of every day we spent at Harand Camp!!!!"

**"I attended Harand from 1982-1989 in Elkhart Lake and my daughter is going for her 4th year this summer at Carthage College. This is a magical place where memories are made forever. Would recommend in a heartbeat!"**

"Both of my daughters have had a wonderful experience at this fabulous camp!!!"  
"My home away from home!"

**"I went to Harand for 9 years and absolutely loved it. At the time I attended, it was the best thing in my life. As an adult, it is still one of the best things that ever happened to me. It gave me joy, confidence and best friends. Little did I know my own children would find that exact same amazing experience 25 years later. Whether they are into theater or not, the experience of being on stage in front of people, conquering your fears, learning to sing and dance while being in a safe environment is invaluable. In addition to theater, there are plenty of opportunities to do sports, visual arts and swimming. The staff is so kind and loving. I really cannot say enough about Harand Camp."**

"Your child might cry their eyes out the first night at sleepaway camp. But Harand is so excellent that they will cry even harder when they leave. Those that come to stay for only 1 week call home begging to stay for 3 or 6 weeks.

It is a Musical Theatre camp but it is also a Sports camp. There is something for everyone. Children develop skills not only on stage, but also socially, in sports and personally. For almost 60 years Harand has been enriching the lives of children and creating literal lifelong friendships.

My counselor from when I was 13 was just the Maid of Honor in one of my closest friend's wedding. The 90+ founder of camp (who used to be a successful vaudevillian actress, oh the stories she tells) is still teaching at camp and is very involved in all aspects of camp, including getting to know the campers.

The children are taught not just by college students but also by theater professionals. It's like a Master Class every day. Kids take singing, acting and dancing classes every day but also choose electives like improv, arts and crafts, theater tech, swimming, yoga and recently we added certified Zumba classes. We had a history of musical theatre class and a class devoted to Harry Potter. It changes every year so returning campers always have something new to choose. But a lot go back to old favorites (like improv and Zumba).

The camp is currently at Carthage College in Kenosha, WI. This means no physical "cabins" but dorm rooms instead. This also means, a better and wider variety of food than at most other camps, indoor heated pool, and actual theater space including a black box theater. Children have more personal space than in some other camps and no chance of poison ivy.

**"This camp is one of the best investments that you can make in the development of your child."**

**"This was the best camp that I ever went to!!  
People here are so nice and I had a lot of fun!  
Can't wait for next summer!!!"**

"We just wanted to say a great big THANK YOU to everyone at Harand for making Aaron's first sleep-away camp experience AMAZING! The first thing he said after the showcase yesterday was, "Mom, you better make sure I am not in a show next summer so I can stay for 3 weeks!" I think that is a resounding testimonial to how awesome camp was for him! When asked about his favorite part of camp, he told us the people and friends he made. He loved his cabin mates and his counselors.

**We were absolutely thrilled with everything. And the performances were spectacular!"**

"This is an amazing, family owned and operated musical theatre and sports camp. It has been in existence for almost 60 years. Because it has been around so long there are 3<sup>rd</sup> and 4<sup>th</sup> generations of families that attend. **Even if your child isn't into singing, acting and/or dancing this is a great camp to send them to for personal growth and refining social skills. There are no divas at this camp**, there is an emphasis on sharing and team and ensemble building. However, if your child is VERY into theatre the staff can help them develop as performers and as people. I attended this camp for several years in my teens and many of my friends are still from here as it is with many alumni. There are two 3 weeks sessions, or younger children can stay for the 1st week. But staying all 6 is the BEST!"

**"Great camp! I learned so much over the years from them. If you love theatre and having fun you must go, you'll have the time of your life!"**

**"Transformative for any child, particularly those who enjoy performing. Very nurturing and non-competitive."**

**"Harand truly is a magical place and helped shape who I am today.** It helped give me the confidence to be myself and appreciate differences in others...all while having fun singing and dancing (kind of a real-life Glee). The quality of productions and what these kids accomplish in just three weeks is fantastic. **I recommend this camp for anyone who loves theater and wants to shine on stage without the crazy competition and nasty politics.** There are fun cabin nights like bowling and go-karting, sports and activity classes, AND during the second session EVERYONE gets a lead in a show. **It really is an amazing and unique place."**

**"Best camp in the whole freaking world!  
I am so happy I went here!"**

# **Scholarship Fund Application Form**

1569 Sherman Avenue, Suite 201A, Evanston, IL 60201 ~ P: 847.864.1500 ~ F: 847.864.1588 ~ E: harandcamp@gmail.com

## **INSTRUCTIONS**

The Mission of the Harand Camp Scholarship Fund (HCSF) is to provide camp scholarships to young people, ages 7 to 18, from diverse and "at risk" backgrounds, who have an interest in music, dance, drama, or technical theater, and have financial need. We are dedicated to making camp accessible for children of all backgrounds. To ensure this, the HCSF offers income-based financial aid (on a sliding scale) and full scholarships to low and middle-income families. To be considered for a scholarship, you must submit proof of income. This may be a copy of your most recent Federal Tax Return or combined household W-2's.

Due to the large number of applicants, scholarships will only be awarded for one THREE week session (full or partial tuition). ONE and SIX week campers are not eligible for scholarships. Campers planning to attend camp for six weeks may not apply for a scholarship to cover any part of tuition. This would be unfair to those applicants who would otherwise be unable to attend camp at all. However, payment plans are available.

Upon receiving a scholarship award each family will be asked to contribute a minimum of \$100 towards tuition.

**To be considered for a scholarship, please submit the following materials:**

- **Completed Harand Camp Scholarship Fund Application Form** (completed by parent or guardian)
- **Completed Harand Camp General Application** (completed by parent or guardian)
- **Proof of Income** (copy of current Federal Tax Return/household W2s – please do not send originals!)
- **Personal Essay** (written by the child) including: a description of him/herself and background; details about his/her interest and experience in musical theater, music, drama, dance and/or technical theater; why Harand Camp would benefit them; and what s/he will bring to Harand Camp.
- **All materials are due by APRIL 15. Scholarship recipients will be notified by MAY 1.**

# INSTRUCTION BOOKLET 2021

## CORONAVIRUS POLICIES AND PROCEDURES

Please stay tuned for updates to our policies and procedures due to the COVID-19 pandemic. Thank you for your support and patience as we all navigate this strange time. We missed you and are hopeful that Harand will be able to open in June 2021 for our 66th Season!

Carthage College is currently open and running smoothly with students and staff remaining safe and healthy. Our Carthage Representative will be keeping us informed of any changes and protocols in a timely manner.

Harand Camp will be following the recommendations of the ACA, CDC and Carthage College and adjusting our programs, procedures, activities and performances accordingly. We will also be instituting new health requirements – such as testing, vaccinations and personal PPE – but cannot establish final guidelines until closer to camp. Some changes have already been noted in this booklet, so please read it thoroughly. We appreciate your patience as this evolves.

**We will only open if we can provide our campers and staff a safe and happy summer.**

**If the 2021 Season or your session is cancelled by Harand or Carthage College due to COVID-19, payments and deposits will be refunded or may be directed to 2022.**

## CHECK-IN AND TRANSPORTATION TO CAMP

**CHECK-IN/BUS CANCELLATION:** For the safety of campers, staff, and families, we will not be providing a bus to camp in 2021. Please stay tuned for instructions, options and check-in procedures.

**Location:** Carthage College (Straz Center/Theater Building), 2001 Alford Park Dr., Kenosha, WI

**LINENS:** There is NO linen rental for campers. Please provide two sets of **Twin XL linens**, a pillow, blanket or comforter, and towels. If you wish to send birthday gifts, please ship in advance so they arrive in time.

## **MEDICAL FORMS AND CARE**

**Please stay tuned for specific testing and immunization requirements for COVID-19. Proof of a negative test - taken within 24 hours of arrival - will be required at check-in. We will be following recommendations from the ACA and CDC and updating our policies accordingly. We will also be asking families to provide a limited amount of PPE for their camper, which may include masks, hand sanitizer, and wipes. Some supplies will be provided by camp for general use during activities and meals etc., but items for personal use will also be recommended.**

**DOCTOR'S CERTIFICATE:** Every parent must complete, update and sign the **HEALTH HISTORY AND IMMUNIZATION** section of the enclosed Camp Health Examination form (page one and the top of page two of the four-page form). **This MUST be signed and sent to our Evanston office by May 30th.**

**Please note:** Your camper must have been examined by your doctor within the last 24 months prior to camp. The doctor must sign the medical form either way. If we have your signed medical form from last summer, you do not need the medical examination portion filled out by the doctor, only the updated **HEALTH HISTORY**. Be sure to sign the box on the form that is headed "In case of emergency," which gives our camp doctor the right to take care of your child. It is important that you sign the medical permission section of the form, as most doctors will refuse even minor care unless this section is signed. All campers must have received measles inoculation before camp time.

Be sure that your physician tells our medical staff about any **allergies or special problems**. We must also know about **previous illness or problems**. Please consult the camp nurse before sending your child if they have been ill within 14 days of camp. All information is vital to the safety of all Harlanders.

***If your child has been exposed to a contagious disease or infestation recently, please advise. i.e. COVID-19, Strep Throat, Chicken Pox, Head Lice, Influenza, etc.***

**INSURANCE:** Please complete all the information on the health & insurance form enclosed. **All campers must have health and accident insurance.** This coverage is your normal family health coverage. Please fill in the section completely and sign and return it to us by May 30th. Be aware of your insurance coverage. Co-payments must be paid and parents need to deal with physician billing promptly.

**MEDICATION FORM:** A medication form is also included within the health form (found online). It is imperative that you fill out and sign the form if your child is on any medication. Please return it to us with other medical forms and the insurance information by May 30th. Photocopy both sides of the insurance card and include it for our files.

**PARENTAL NOTIFICATION OF MEDICAL CARE:** In a medical emergency, parents will be notified as soon as possible. In a non-emergency situation, parents will be notified if a camper needs to stay overnight in the health center or see a doctor for any reason.

**BE SURE TO SIGN AND RETURN ALL MEDICAL & INSURANCE FORMS – including the Health History and Examination Form, Parent Authorization Form, Carthage Camp and Conference Form, and the Medication Form. Please include a photocopy of your INSURANCE CARD.**

**CAMPER MEDICINES:** Please be sure that ANY medicines that are to be taken at camp, as well as their instructions for use, are kept in their respective bottles and properly marked by the pharmacy with the camper's name, dosage and times specified. Unlabeled medication will not be dispensed. Medications are to be given to a staff member at check-in. This includes over-the-counter medications. If you wish to send any medicines to the camper, send them directly to the Camp Director and be sure they are properly marked. ALL drugs and medicines are kept by the Camp Nurse at the medical center and dispensed to the camper, as he or she needs it. With written permission, campers will be allowed to keep life sustaining items such as EpiPens and inhalers. **Under no circumstances should a camper keep any medication in his/her private possession or distribute to other campers. Please communicate this rule to your child as it is for the safety of all campers.**

**HEALTH CENTER / MEDICAL NEEDS** will be handled by the camp nurse during infirmary hours. Should there be an emergency, there is a nurse on campus at all times. Additionally, First Aid Kits are available in all buildings, and physicians, Urgent Care, and the hospital are 10 minutes from camp.

**ORTHODONTIST:** Emergency orthodontia is available in Kenosha. All work can be coordinated with your own orthodontist. To facilitate the necessary communication, please add the name and phone number of your orthodontist to the Health Form.

## **CAMP LIVING**

**Living:** Upon arrival, campers (ages 7 - 18) will be divided into "cabins" by age and reside together in the dorms (2 per room). Roommate requests are not required but may be sent to [harandcamp@gmail.com](mailto:harandcamp@gmail.com). We will do our best to accommodate your request. Please note: roommate requests must be mutual.

**Food:** Meals – catered by Sodexo - are served three times a day in the dining hall and include many options. Please notify us of any dietary restrictions (ex: celiac, vegan, vegetarian) or allergies (ex: nuts, fish). We will keep you posted of changes from Carthage College due to COVID-19.

**Schedule:** Campers spend half the day in theatre classes and the other half in activity classes of their own choosing. Evenings and Sundays include a rotating schedule of rehearsals, cabin nights, and all-camp events and games. Elective classes will be selected the first night of camp. All campers are required to participate in the arts program and activities. Elective classes may be changed after the first week.

## **CAMP REGULATIONS**

To facilitate communication and avoid misunderstanding, please read and discuss this information with your camper PRIOR to arrival at camp.

1. **Camp is SCREEN FREE. Cell phones are NOT permitted** and, if brought, will be stored in our safe until the end of camp. This includes cell phones used as personal music players with or without active SIM cards.
2. All medications (including aspirin) will be stored in the Camp Health Center for distribution by our camp nurses (as per state law). Campers may not self-medicate or share any medication with other campers. This is for the safety of all.
3. All campers will participate in daily clean-up of rooms for inspection.
4. Campers are not allowed to use the internet or computers located on campus.
5. Campers are expected to refrain from inappropriate behavior and language - especially when participating in activities off campus and around our younger campers.
6. We support freedom of expression, however, attire depicting explicit or offensive images or language is not allowed.
7. Cabin in-times must be followed (we don't want you to be exhausted and getting sick!)

9. The following may result in dismissal from camp:
  - Leaving campus without camp director approval.
  - Smoking, use, or storing of alcohol, marijuana, or any non-prescribed drug/illegal substance
  - Physical violence, or threats, against anyone (Harand or Carthage staff, campers, yourself, etc.)
  - Continuous disruptive or destructive behavior
  - Defacing or destroying camp or Carthage property
  - We do not tolerate bullying!

## **COMMUNICATION - CALLS, LETTERS and EMAILS**

**Address:** Harand Camp c/o Carthage College, 2001 Alford Park Dr., Kenosha, WI, 53140-1994

**Phone:** 262-551-2140

**Email:** [harandcamp@gmail.com](mailto:harandcamp@gmail.com)

**TELEPHONE CALLS:** No calls to campers will be allowed during the first full week of each session of camp, except for emergencies or on a special occasion. If necessary, you may call the Camp Directors to check on your child. After the first week, please limit your calls to one per 3-week session. The campus is very large and your child is always involved in some scheduled activity or program, so please leave a message with the office and your camper will return your call as soon as possible. The office is available to take messages for your camper from 10:00 am to 5:30 pm, Monday through Saturday, though we can be reached at off-hours in case of emergencies. Campers will only be able to return calls from 1:30 to 2:30, 5:00 to 5:30, and 6:30 to 7:00. We need to limit the calls to a maximum of 5-10 minutes. We only accept calls from parents or legal guardians. No calls on Sundays.

**MAIL FROM YOU:** Letters are wonderful and your child wants cheerful mail from home. ***Write often!!!*** The camper looks forward to your expressed recognition of their achievements, so please make sure your letters are cheerful and upbeat. It is best to write at least once a week (you can write daily!). Address snail mail as follows: Camper name and cabin, Harand Camp c/o Carthage College, 2001 Alford Dr. Kenosha WI, 53140-1994

**E-MAIL FROM YOU:** ***Please do not include attachments or photos. Emails must be sent to [harandcamp@gmail.com](mailto:harandcamp@gmail.com) and have the camper's name written in the subject line.*** Emails are printed at 11 a.m. and delivered to campers with mail call (after lunch) Monday-Saturday. Campers will not be able to reply via email. We encourage friends and other relatives to use email or regular mail.

**PACKAGES FROM HOME:** Your camper is very well fed by Sodexo Food Services, with three meals a day and desserts! If you must send food treats, it must be understood that they will be shared with the entire group. The counselor will assist in distributing treats equally. Remember that the entire group is sharing with your child so to eliminate hurt feelings you must send enough for all. Do not send perishable foods, sparklers or fireworks, or dangerous or destructive items. Please limit packages to one per session. Please remember: NO PERISHABLE FOOD ITEMS or PRODUCTS CONTAINING NUTS.

**MAIL FOR YOU:** Campers are encouraged to write letters home at least once a week. Stamped post cards already addressed to you and others are excellent to include in the miscellaneous packing - especially for younger campers. Campers could even start addressing their cards now. Please send plenty of stamps.

### **PARENTS VISITING DATES & TIMES\***

There is a possibility that visiting day will be limited to check-out/departure and performances will be held virtually or distributed in a digital format. ***Further detailed instructions regarding visiting days and performances will be sent to you in advance and while camp is in session.***

**RESTRICTIONS:** Parents may not take the campers from the camp property at any time during the camp season other than visiting weekend. It is imperative even at that time that the parents officially advise us of their plans, for obvious security reasons. Please remember that visiting day is a special time for you and your camper. **Please: Family members only on visiting days.**

**CAMPUS REGULATIONS:** Parents can be of great assistance in maintaining camp discipline during visiting days by not encouraging any violations of camp rules. Parent suggestions that are contrary to camp rules create a conflict for their child. Carthage has the following rules while on their property:  
NO Smoking within 25 feet of building, NO Chewing Gum, and NO Pets.

## **PACKING FOR CAMP**

**PERSONAL PROTECTIVE EQUIPMENT AND SUPPLIES FOR COVID-19:** We will be asking families to provide a limited amount of PPE and supplies for their camper, which may include items like masks, hand sanitizer, and wipes. Some supplies will be provided by camp for general use during activities and meals etc., but items for personal use will also be necessary. Stay tuned for specific details and quantities.

**CLOTHING:** The clothing list can be found on our website and should be used as a guide only. Remember, most items can be found, or substituted for, from the camper's own wardrobe. All white is worn on special occasions and for camp photographs. For exclusive Harand Camp t-shirts and tank tops in various styles and colors, please visit <http://harandtheatre.annarbortees.com>.

We recommend not more than two nice outfits (dresses, jackets, shirt and tie, etc.). for simple dress-up occasions. This is more than enough for evening events, theatre parties, etc. **SHOES: Girls:** One pair of athletic shoes. One pair of black jazz shoes. One pair of white canvas shoes. One pair of dress shoes for dress-up or stage use. Character shoes for teens, 8<sup>th</sup> grade and above. Only bring toe shoes if already training. Bring tap shoes if interested in tap classes. **Boys:** One pair of athletic shoes. One pair of dark dress shoes for dress-up and stage wear. One pair of black jazz shoes or dress shoes. One pair of white canvas shoes. Bring tap shoes if interested in tap classes. **Important:** Beach shoes, clogs and sandals may be brought, but will not be permitted for use in dancing, sports, games, or for stage use.

**PROTECTIVE ATHLETIC EQUIPMENT:** We do not provide personal athletic protective equipment for things like soccer and skating. You may send along these items at your discretion.

**IMPORTANT:** Please do not send more than the clothing list recommends. No camp can supply enough space for excess clothing; it may only have to remain packed up for the entire season. Remember, we have laundry service two times a week. Send at least ten hangers! Do not send overly expensive and easily damaged clothing, jewelry or equipment. Lost or stolen items are not our responsibility. We support freedom of expression, however, attire depicting explicit or offensive images or language is not allowed.

**NAME TAGS:** All items of clothing and personal property must have name tags secured to them. For clothing, name tags or indelible pen may be used. Name tags should be placed where the laundry staff can easily find them. An itemized list of what is packed should be secured to the inside of the luggage. With this list our counselors can help keep track of the camper's possessions. PLEASE LABEL EVERYTHING.

***Lost and Found: Check for everything, items left behind may be donated to charity.***

**ELECTRONICS:** Music devices are okay, but please mark the camper's name on all items. Music must be in good taste. No vulgar or suggestive material allowed. Parental discretion is strongly advised. **We try to be screen-free and do not allow televisions, cell phones, tablets, laptops or other personal electronic devices.** If brought to camp, they will be placed in our office safe and returned at the end of camp. No electric irons. Our campers do not need camping knives of any kind. Please keep these at home. **Please NO expensive equipment. We are not responsible for loss or damage.**

**MUSIC INSTRUMENTS & HOBBIES:** We encourage your child to bring their own camera, musical instruments, hobby and art supplies. Guitar classes are available. Campers must bring their own guitars.

**SWIMMING POOL:** Most campers are required to take a class in the pool. Goggles are recommended.

**MUSIC LESSONS:** Upon request, lessons and practice sessions under supervision of our staff can be arranged. Private instruction requires an extra fee decided between the parent and instructor. Call to make arrangements.

**CAMPER CONCERT:** If your child is planning to perform in one of our camper concerts, please have them bring along sheet music or accompaniment.

**TUTORING:** For special academic interests or upon the recommendation of your child's school, tutoring by licensed teachers can be arranged. Fees will be determined between the parent and staff member tutoring the camper. If tutoring is desired, send school books and lesson plans with your camper.
